

Stacy Goudy Seminar 3/4/2019 – 3/5/2019

Once again we have the privilege of bringing Stacy Goudy here to Wichita for a 3 day seminar. For those of you not familiar with Stacy, please visit her website Cspotwin.com to see all her accomplishments. The seminar will be held at the agility building at our club, morning sessions from 8am-12pm, afternoon sessions from 1pm-5pm. All day sessions are from 8am-5pm with an hour lunch break. Half day seminars will have a limit of 10teams, full days will limit 10 teams.

We will be offering two half day sessions, intermediate level in the morning and advance level in the afternoon. Stacy has always worked to each team's level, so the only requirements are that your dog has to be able to execute all the obstacles (weaves could be exempt), and understands basic handling cues.

With the upcoming AKC Nationals being held in Tulsa, our last day will be geared towards "Prepping for Nationals". This session will be a full day session. All are welcome to participate, but preference will be given to those who have qualified and are entered in the Nationals.

Please select the days you wish to participate and send a deposit of \$50/session to Julia Tan, 524 W 47th St N, Wichita KS 67204.

	Member/Non-Member
